PROFILE

Product Designer with 13+ years of experience across Software, Design, Marketing, and Advertising. Specialized in end-to-end UX/UI for web and mobile in B2B and B2C contexts — employee portals, admin dashboards, and AI-powered features. Proven track record leading design teams, managing client relationships in English, and delivering results in Agile/Scrum environments. Currently serving U.S.-based clients as Senior Product Designer at Tarmac.

EXPERIENCE

Senior Product Designer

Jul 2026 – Present

Tarmac · Montevideo, Uruguay · U.S. clients

- Designing end-to-end product experiences for U.S.-based technology companies across multiple verticals.
- Leading discovery sessions, user interviews, and qualitative research with stakeholders and end users.
- Defining information architecture, user flows, and interaction patterns from early concept to delivery.
- Designing wireframes, UI kits, and high-fidelity interactive prototypes.
- Building and maintaining design systems with detailed specifications for engineering handoff.
- Collaborating with product and engineering teams in cross-functional, agile environments.

★ Leading product design for Oluko / Assessment For Good, a socio-emotional edtech platform for U.S. schools, from prototype translation to Figma components ready for engineering handoff

Design Lead / Senior Product Designer

Jul 2024 – Jul 2026

10Pearls · Remote · U.S. clients

- Led end-to-end UX/UI for healthcare compliance platforms (Propelus: CEBroker, Evercheck, Immuware).
- Supervised and mentored the design team, ensuring quality and consistency across deliverables.
- Collaborated with U.S. and Costa Rica-based clients, developers, and product managers.
- Developed and maintained design systems; conducted user research and usability testing.
- Created high-fidelity wireframes, prototypes, and visual designs in Figma and Lovable.

★ Delivered end-to-end design for Flex, a fintech app based in Costa Rica, from discovery to production-ready specs

Senior Product Designer

Apr 2023 – Jun 2024

Sparq · Montevideo, Uruguay

- Led UX research: user interviews, personas, journey maps, and empathy maps.
- Designed Abitab Digital Identity App — IA, user flows, UI kits, and interactive prototypes.
- Implemented design systems and developer handoff; conducted usability testing and QA.

★ Increased end-user satisfaction through iterative design improvements

EXPERIENCE (CONT.)

Senior Product Designer

Qubika · Montevideo, Uruguay

Sep 2020 – Apr 2023

- Designed UX/UI for Disney Streaming Services, Creative Juice, Ahead Financials, and Heliflite.
- Developed MVPs: benchmarks, wireframes, user interviews, design systems, and prototypes.
- Managed direct client communication in English and collaborated on project estimation.

★ Reduced development times by optimizing prototypes and workflows

UX/UI Designer

Altimetrik · Montevideo, Uruguay

Nov 2019 – Sep 2020

- Designed UX/UI for internal platforms and clients including Equal Future.
- Created personas, journey maps, prototypes, and design systems.

★ Implemented a design system that improved visual consistency and efficiency

EARLIER EXPERIENCE

Multimedia Designer

PedidosYa · Montevideo, Uruguay

Sep 2018 – Nov 2019

- Designed the CRM channel: email marketing layouts and in-app content across 10 countries.

★ Increased email open rates by 25% through strategic content redesign

UX/UI Designer

Tensai / Crocante · Montevideo, Uruguay

Jul 2016 – Sep 2018

- Designed apps, websites, and advergaming for clients including Oceano FM and Conaprole.

Graphic Designer / Art Director

CeroNegativo Uruguay · Montevideo, Uruguay

May 2014 – Jun 2016

- UI design for apps and websites; art direction for digital campaigns — Mondelez, DIAGEO, Hospital Británico.

Web UI Designer

SublimeSolutions · Montevideo, Uruguay

Jan 2013 – Apr 2014

- Web design and app development for clients including Manos del Uruguay, NNet, and Universo Binario.

KEY ACHIEVEMENTS

+25% Email Open Rate

PedidosYa

- Strategic CRM content redesign delivered measurable open rate growth simultaneously across 10 countries.

Design System from Scratch

Altimetrik

- Built and implemented a scalable design system that improved visual consistency and reduced design-to-dev friction.

Faster Development Cycles

Qubika

- Reduced development cycle times by streamlining prototyping and handoff workflows across multiple concurrent projects.

End-to-End Fintech Product Design

10Pearls

- Led complete design of Flex, a Costa Rica-based fintech app, from discovery through production-ready specs.

AVAILABILITY

Open to full-time roles with U.S. or international teams.
