PROFILE

Product Designer with 13+ years of experience across Software, Design, Marketing, and Advertising. Specialized in end-to-end UX/UI for web and mobile in B2B and B2C contexts — employee portals, admin dashboards, and AI-powered features. Proven track record leading design teams, managing client relationships in English, and delivering results in Agile/Scrum environments. Currently serving U.S.-based clients as Design Lead at 10Pearls.

EXPERIENCE
